Dear Mr. Barnino:

In talking with Mr. Sellar I gathered that the special job you are working on for us will take a few weeks. I wanted to stress to you the importance of putting as much time as you possibly can on it.

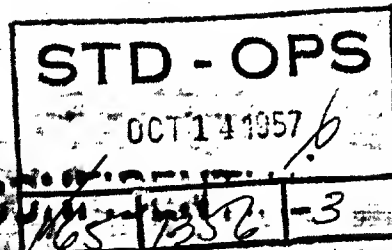

I also want to stress the fact that this is of a highly confidential nature and should not be discussed with anyone. Will you please be sure to keep the papers in a safe place at all times.

I am also writing to tell you that I realize this will mean a lot of overtime work and that you will receive extra compensation, which we will determine here when the job is finished.

Yours sincerely,

/s/ Lawrence W. Louma,
Major, AUS
